ORDER RE SERVICE OF COMPLAINT

19 The court has received a letter from plaintiff Thomas H. Spitters (“plaintiff”). See
20 Dkt. 33. While the content of the letter is incomprehensible at times, plaintiff does appear
21 to respond to the court’s previous order to “provide the names of the defendants to the
22 Clerk so that a summons may be issued,” as he provides a list of three “estates” that he
23 requests “be included on the court docket.”

26 The court takes this opportunity to clarify that plaintiff must serve a copy of the
27 complaint and summons upon defendant(s) before the June 16, 2016 deadline set forth
28 in the court’s previous order, and in order to have a summons issued, plaintiff must file an
amended complaint that specifically names the defendant(s). Naming the defendant(s) in
a letter does not suffice. Therefore, plaintiff has until June 16, 2016 to (1) file an
amended complaint naming all defendant(s), (2) obtain a summons, and (3) serve a copy
of the complaint and the summons upon the defendant(s). The court’s previous order
also explained that “in giving plaintiff until June 16, 2016, the court has already extended
the deadline, and will not extend it further. If the complaint is not served upon defendants
by this date, this case will be dismissed.” See Dkt. 31.

1 Finally, plaintiff also renews his request to have defendant(s) bear the costs of
2 litigation, and that request is again denied.
